

Welcome to our practice!

Thank you for the opportunity to be of service to you and for placing your trust and confidence in our dental team. Dr. Marisela Sinclair along with her experienced, friendly and professional team are genuinely interested in you and are committed to taking the time to get to know you personally, and discuss your concerns, fears and expectations.

Our practice offers the benefit of the latest technologies and state-of-the-art equipment that will make your visit comfortable and help you become an interactive and educated partner in your dental care. During your dental visits, you will notice that we use magnified glasses that allow us to detect even the smallest cavity or cracked tooth. Digital imaging produces digital x-rays and magnified color pictures of your teeth allowing you to see what Dr. Marisela Sinclair is diagnosing. Comfortable chairs and blankets are available and the highest standards of infection control are strictly enforced.

Dr. Marisela Sinclair along with her team are constantly enhancing and advancing their technical skills, training and education to provide patients with the highest level of quality care.

This introductory packet provides valuable information to help you make informed decisions about your dental care, and also gives us the information needed to provide you with the best possible dental health services. Please read the information provided and let us know if you have any questions at your your first appointment.

Again, welcome to our office and we look forward to providing you with outstanding dental health services.

Warmest Regards,

Marisela Sinclair, DDS
